2. APARTMENT. You are renting:

- Apartment No. **TBD** ;
 Bedroom No. _____; or
 Floor Plan **4x2 Lite Balcony Private**

at **339 W. Gorham St.**

(street address), in **Madison**
(city), Wisconsin, **53703** (zip code), for use as a private residence only.

When this Lease Contract is signed, all fees are paid and any guarantor paperwork is received, we will set aside a bedroom from our inventory for you.

2.1. Use and Occupancy. Your access may include exclusive areas, shared common space in the apartment, and common areas in the property.

We may assign another person to share a bedroom with you. If the apartment has a separate bathroom for each bedroom, you and any other person assigned to your bedroom will have exclusive use of that bathroom.

We do not make any representations about the identity, background or suitability of any other resident, and we are under no obligation to perform any resident screening of any kind, including credit, prior resident history or criminal background. Any disputes that arise are your responsibility to resolve directly in a reasonable manner that complies with this Lease. Disputes are not grounds to terminate this Lease.

You have a non-exclusive right to use other areas in the apartment, including the kitchen, living area, patios/balconies and other shared spaces. Both you and other residents have equal rights to use the space and amenities in the apartment's common area. It is a violation of this Lease to use any spaces not assigned to you, and we have the right to assign a roommate to any vacancy at any time with or without notice.

2.2. Access Devices. In accordance with our policies, you'll receive access devices for your apartment and mailbox, and other access devices including:

Unit key fob, bedroom door key, mailbox key, parking access (if applicable).

3. TERM. The term of the Lease Contract begins at **noon** (time) on the **21st** day of **August**, **2025** (year), and ends at 12:00 noon the **25th** day of **July**, **2026** (year).

3.1. Holdover. You or any occupant, invitee, or guest must not hold over beyond the date contained in your move-out notice or our notice to vacate (or beyond a different move-out date agreed to by the parties in writing). If a holdover occurs, then, in absence of proof of greater damages, we may recover as minimum damages twice the rental value apportioned on a daily basis for the time you remain in possession, as provided by law.

4. RENT AND CHARGES. Under this Lease and in accordance with our policies, your total amount due is payable in advance and without demand in **12** installments of \$ **1532.00** each. This amount may include or exclude other fees and charges as outlined in your lease package.

The first installment is due on or before the first (1st) of the month in which this Lease begins. All other payments must be made by the first (1st) of the month in which they are due, with no grace period. This amount is owed by you and is not the total rent owed by all residents.

We also may end your right of occupancy by judicial eviction procedures as provided under Chapter 799 of the Wisconsin Statutes and recover damages, future rent, reletting charges, and other lawful charges, subject to our statutory duty to mitigate damages. Our rights, remedies and duties under Paragraph 25 (Default by Resident) apply under this paragraph. **You must pay your installments on or before the first (1st) day of the month in which they are due. There is no grace period, and you agree that not paying by the first (1st) of the month is a material breach of this Lease. Cash is not acceptable without our prior written permission. You cannot withhold or offset rent unless authorized by law. Your obligation to pay rent does not change if there is a reduction of amenity access or other services performed by us.** If you don't pay rent on time, you'll be in default and subject to all remedies under state law and this Lease.

4.1. Payments. You will pay your rent:

- at the onsite manager's office
 through our online payment site
 at <https://olivmadison.residentportal.com/auth>

We may, at our option, require at any time that you pay all rent and other sums by certified or cashier's check, money order, or one (1) monthly check rather than multiple checks. At our discretion, we may convert any and all checks via the Automated Clearing House (ACH) system for the purposes of collecting payment. Rent is not considered accepted if the payment/ACH is rejected, does not clear, or is stopped for any reason. Rent and late charges are due without demand, and all other sums are due upon our demand.

4.2. Application of Money Received. When we receive money, other than utility payments subject to government regulation, we may apply it at our option, and without notice, first to any of your unpaid obligations, then to current rent. We may do so regardless of notations on checks or money orders and regardless of when the obligations arose.

4.3. Utilities and Services. We'll pay for the following if checked:

- gas water wastewater
 electricity trash/recycling cable/satellite
 Internet stormwater/drainage government fees
 other _____

Your per-person share of any submetered or allocated utilities or services for the apartment will be included as an itemized charge on a billing statement to you. "Per person" is determined by the number of residents authorized to be living in the apartment at the time of the utility billing to you by us or our agent. You'll pay for all other utilities and services, related deposits, and any charges or fees on such utilities and services during your lease term.

4.4. Late Charges. If you don't pay rent in full by 11:59 p.m. on the 4th day of the month, you must pay us the following late charge immediately and without demand in addition to the unpaid rent: _____ % of your installment amount as stated in this Lease or \$ 75.00.

You'll also pay a charge of \$ 50.00 for each returned check or rejected electronic payment, (not to exceed \$40), plus a late charge.

4.5. Government Charges and Fees. If we receive a charge from a government entity that results from your creation of a zoning violation, sound, noise, litter, or any charge associated with any nuisance or action created by you or your guests, then any such charge will become your responsibility to pay. We will notify you of the nature and amount of any such charge(s), which will be payable by you within thirty (30) days of our notice to you. If paid by us, you will reimburse us for any such amounts paid.

4.6. Lease Changes. No rent increases or lease changes are allowed during the lease term, except for those allowed by Paragraph 4.5. (Ad Valorem Taxes/Fees and Charges-Additional Rent) and special provisions, by a written addendum or amendment signed by you and us, or by reasonable changes of apartment rules allowed under the provisions herein.

5. SECURITY DEPOSIT. Unless modified by addenda, the total security deposit is \$ _____, due on or before the date this Lease Contract is signed. Any animal deposit will be stated in an animal addendum.

You acknowledge that you were advised of your right to (1) inspect the apartment and notify us of any pre-existing damages or defects; and (2) make a written request for us to provide you with a list of physical damages charged to the previous resident's security deposit, along with other information required by Wis. Admin. Code s. 134.06.

5.1. Security Deposit Deductions and Other Charges.

We'll mail you your security deposit refund (less lawful deductions) and an itemized accounting of any deductions as provided in Wis. Stat. 704.28. We may withhold from your security deposit for the following:

- (a) your damage, waste or neglect of the premises;
- (b) unpaid rent for which you are legally responsible;
- (c) any payments which you owe under this Lease Contract for utility service provided by us but not included in the rent;
- (d) any payment which you owe for direct utility service provided by a government-owned utility, to the extent that we are liable for your nonpayment; **and**
- (e) any reasons identified in the separate Nonstandard Rental Provisions.

6. GUESTS. "Guests" include anyone entering the apartment for any reason related to your occupancy. You are responsible for the conduct of your guests, invitees, family members, and any other person whom you allow to enter the property or apartment, as if such conduct were your own. Unless otherwise stated in this Lease or in our policies, no more than 10 people may be present in the apartment at one time.

Other than residents and authorized occupants, no one else may occupy the apartment. Guests are not permitted to stay in the apartment for more than 3 consecutive days without our prior written consent. *If the previous blank isn't filled in, two (2) consecutive days will be the limit.*

6.1. Exclusion of Persons. We may exclude from the apartment community guests or others who, in our judgment, have been violating the law, violating this Lease Contract or any apartment rules, or disturbing other residents, neighbors, visitors, or owner representatives. We may also exclude from any outside area or common area a person who refuses to show photo identification or refuses to identify himself or herself as a resident, occupant, or guest of a specific resident in the community. If you allow an excluded person onto the property it is grounds for termination of your tenancy, as provided by statute and by judicial eviction procedures as provided in Chapter 799 of the Wisconsin Statutes.

7. CARE OF APARTMENT/COMMON AREAS AND DAMAGES.

You must promptly reimburse us for loss, damage, government fines, or cost of repairs or service in the apartment community due to a violation of the Lease Contract or rules, improper use, negligence, or intentional conduct by you or your invitees, guests or occupants; or any other cause not due to our negligence or fault as allowed by law except for damages by acts of God to the extent they couldn't be mitigated by your action or inaction.

Unless the damage or wastewater stoppage is due to our negligence, we're not liable for—and you must pay for—repairs, replacement costs, and damage to the following that result from your or your invitees, guests, or occupants (A) damage to doors, windows, or screens; (B) damage from windows or doors left open; **and** (C) damage from wastewater stoppages caused by improper objects in lines exclusively serving your apartment.

Each resident is jointly and severally liable for all lease obligations relating to any shared areas and utilities (if applicable). All residents will be jointly responsible for damage to the apartment that we do not determine (in our sole discretion) was caused by a specific resident, and other amounts due under the Lease. In addition to other obligations outlined in this Lease, you are liable for your per-person share of animal violation charges, missing batteries from smoke or other detectors, government fines, or damages to the apartment if we cannot, in our reasonable judgment, ascertain the identity of the person who caused the damages or the charge or fee to be incurred. "Per person" is determined by the number of persons, including you and other residents, authorized to live in the apartment at the time of the damage, charge, fine or violation.

Nothing in this paragraph limits the Owner from liability for personal injury or property damage caused by negligent acts or omissions of the Owner. Nothing in this Lease should be construed to impose liability on you for damages or personal injury caused by persons other than you, your guests, or invitees.

8. INSURANCE. We do not maintain insurance to cover your personal property or personal injury.

8.1. Renter's Insurance Requirement

You are:

- required to buy and maintain renter's insurance; **or**
 not required to buy renter's insurance.

8.2. Personal Liability Insurance Requirement

You are:

- required to purchase and maintain personal liability insurance; **or**
 not required to buy liability insurance.

If neither option is checked, insurance is not required but is still strongly recommended. Even if not required, we urge you to get your own insurance for losses due to theft, fire, water, pipe leaks, and similar occurrences. If required, failure to maintain personal liability insurance throughout your tenancy, including any renewal periods and/or lease extensions, is a default under the terms of this Lease Contract and may result in the termination of tenancy and eviction and/or any other remedies as provided by this Lease Contract and by judicial eviction procedures as provided under Chapter 799 of the Wisconsin Statutes. Renter's insurance doesn't cover losses due to a flood. We urge all residents to obtain flood insurance - particularly those residents in coastal areas, areas near rivers, and areas prone to flooding. A flood insurance resource which may be available includes the National Flood Insurance Program managed by the Federal Emergency Management Agency (FEMA).

9. SECURITY AND SAFETY DEVICES.

9.1. Smoke and Carbon Monoxide Detectors. The Owner of the property will install any smoke and carbon monoxide detectors required by law. The resident shall give written notice to the Owner that a smoke or carbon monoxide

detector in the apartment is not functional, and the Owner shall provide, within five (5) days after receipt of that notice, any maintenance necessary to make that smoke or carbon monoxide detector functional. However, no resident may tamper with, remove, alter, damage or otherwise render any smoke or carbon monoxide alarm inoperable.

10. DELAY OF OCCUPANCY. We are not responsible for any delay of your occupancy caused by construction, repairs, cleaning, or a previous resident's holding over. The Lease Contract will remain in force subject to (1) abatement of rent on a daily basis during delay; **and** (2) your right to terminate as set forth below.

After termination, you are entitled only to a refund of the deposit(s) you paid and any rent you paid. Rent abatement or Lease Contract termination does not apply if delay is for cleaning or repairs that don't prevent you from occupying the apartment.

If there is a delay and we haven't given notice of delay as set forth immediately below, you may terminate up to the date when the

apartment is ready for occupancy, but not later. **Termination notice must be in writing.**

- (a) If we give written notice to you when or after the Lease begins—and the notice states that occupancy has been delayed because of construction or a previous resident's holding over, and that the apartment will be ready on a specific date—you may terminate the Lease Contract within three (3) days of your receiving the notice, but not later.
- (b) If we give written notice to you before the date of the Lease begins and the notice states that a construction delay is expected and that the apartment will be ready for you to occupy on a specific date, you may terminate the Lease Contract within seven (7) days after you receive written notice, but not later.

The readiness date is considered the new initial term as set forth in Paragraph 3 (Term) for all purposes. This new date may not be moved to an earlier date unless we and you agree in writing.

Resident Life

11. COMMUNITY POLICIES OR RULES. You and all guests and occupants must comply with any written apartment rules and community policies, including instructions for care of our property. Our rules are considered part of this Lease Contract. We may make reasonable changes to written rules, effective immediately, if they are distributed and applicable to all apartments in the apartment community and do not change dollar amounts on page 1 of this Lease Contract.

11.1. Photo/Video Release. When signing this Lease, you grant us permission to use any photograph or video taken of you while you are using property common areas or participating in any event sponsored by us.

11.2. Limitations on Conduct. Your apartment and other areas reserved for your private use must be kept clean and free of trash, garbage, and other debris. Trash and recycling must be disposed of at least weekly in appropriate receptacles and you must comply with local ordinances. Passageways may be used only for entry or exit. You agree to keep all passageways and common areas free of obstructions such as trash, storage items, and all forms of personal property. No person shall ride or allow bikes, skateboards, or other similar objects in the passageways. You will use balconies with care and will not overload them. Any swimming pools, saunas, spas, tanning beds, exercise rooms, storerooms, laundry rooms, and similar areas must be used with care and in accordance with apartment rules and posted signs. Glass containers are prohibited in or near pools and all other common areas. Within the apartment community you, your occupant(s), and your guest(s) must not use candles or use kerosene lamps or heaters without our prior written approval; cook on balconies or outside. You, your occupant(s), and your guest(s) must not solicit business or contributions. Conducting any kind of business (including child-care services) in your apartment or in the apartment community is prohibited—except that any lawful business conducted "at home" by computer, mail, or telephone is permissible if customers, clients, patients, or other business associates do not come to your apartment for business purposes. We may regulate:

- (a) the use of patios, balconies, and porches;
- (b) the conduct of furniture movers and delivery persons; **and**
- (c) recreational activities in common areas.

11.3. Notice of Convictions and Registration. You agree to notify us if you or any occupants are convicted of (A) any felony, **or** (B) any misdemeanor involving a controlled substance, violence to another person or destruction of property. You also agree to notify us if you or any occupant registers as a sex offender in any state. Informing us of criminal convictions or sex offender registry does not waive our right to evict you by judicial eviction procedures as provided in Chapter 799 of the Wisconsin Statutes.

11.4. Attendance and Enrollment. We may, at our option, require information about your attendance and enrollment. If required by us, you must notify us prior to any extended absence from your apartment that is for more than fourteen (14) days and not during a regular school break.

12. PROHIBITED CONDUCT. You, your occupant(s) or guest(s), or the guest(s) of any occupant(s), may not engage in the following activities:

- (a) criminal conduct; manufacturing, delivering, possessing with intent to deliver, or otherwise possessing a controlled substance or drug paraphernalia; if applicable, violating Dane County Ordinance s. 34.07(4)(p), related to smoking in common areas; engaging in or threatening violence; possessing a weapon prohibited by state law; discharging a firearm in the apartment community; displaying or possessing a gun, knife, or other weapon in the common area in a way that may alarm others;
- (b) behaving in a loud or obnoxious manner;
- (c) disturbing or threatening the rights, comfort, health, safety, or convenience of others (including our agents and employees) in or near the apartment community;
- (d) disrupting our business operations;
- (e) storing anything in closets having gas appliances;
- (f) tampering with utilities or telecommunications;
- (g) bringing hazardous materials into the apartment community;
- (h) using windows for entry or exit; **or**
- (i) heating the apartment with a gas-operated cooking stove or oven.

Nothing in this provision or anywhere else in the Lease Contract should be construed to authorize the Owner to terminate the tenancy of a Resident based solely on the commission of a crime in or on the rental property if the Resident, or someone who lawfully resides with the Resident, is the victim, as defined by s. 950.02(4), of that crime.

13. PARKING. We may regulate the parking place of all cars, trucks, motorcycles, bicycles, scooters, boats, trailers, and recreational vehicles. Motorcycles, motorized bikes, or scooters may not be parked inside an apartment or on sidewalks, under stairwells, or in handicapped parking areas. We may have unauthorized or illegally parked vehicles towed under an appropriate statute. A vehicle is unauthorized or illegally parked in the apartment community if it:

- (a) has a flat tire or other condition rendering it inoperable;
- (b) is on jacks, blocks or has wheel(s) missing;
- (c) has no current license plate or no current registration and/or inspection sticker;
- (d) takes up more than one parking space;
- (e) belongs to a resident or occupant who has surrendered or abandoned the apartment;
- (f) is parked in a marked handicap space without the legally required handicap insignia;
- (g) is parked in space marked for office visitors, managers, or staff;
- (h) blocks another vehicle from exiting;
- (i) is parked in a fire lane or designated "no parking" area;
- (j) is parked in a space marked for other resident(s) or apartment(s);
- (k) is parked on the grass, sidewalk, or patio;
- (l) blocks garbage trucks from access to a dumpster; **or**
- (m) belongs to a resident and is parked in a visitor or retail parking space.

14. RELEASE OF RESIDENT. Unless allowed by this Lease Contract, federal or state law, you won't be released from this Lease Contract for any reason.

15. MILITARY PERSONNEL CLAUSE. All parties to this Lease Contract agree to comply with any federal law, including, but not limited to the Service Member's Civil Relief Act, or any applicable state law(s), if you are seeking to terminate this Lease Contract and/or subsequent renewals and/or Lease Contract extensions under the rights granted by such laws.

16. RESIDENT SAFETY AND LOSS. *We are not liable to you, other residents in your apartment or your guests for any damage, injury or loss to person or property caused by persons, including but not limited to theft, burglary, assault, vandalism or other crimes, unless caused by Landlord's negligent acts or omissions.* We're not liable to you, other residents, guests, or occupants for personal injury or damage or loss of personal property from any cause, including but not limited to: fire, smoke, rain, flood, water and pipe leaks, hail, ice, snow, lightning, wind, explosions, interruption of utilities or other occurrences unless such damage injury or loss is caused exclusively by our negligence. During freezing weather, you must ensure that the temperature in the apartment is sufficient to make sure that the pipes do not freeze (the appropriate temperature will depend upon weather conditions and the size and layout of your apartment). If the pipes freeze or any other damage is caused by your failure to properly maintain the heat in your apartment, you'll be liable for damage to our and other's property.

You acknowledge that we are not equipped or trained to provide personal security services to you, other residents or your guests. You recognize that we are not required to provide any private security services and that no security devices or measures on the property are fail-safe. You further acknowledge that even if an alarm is provided it is a mechanical device that requires proper operation by you regarding coding and maintaining the alarm. Any charges resulting from the use of an intrusion alarm will be charged to you, including but not limited to any false alarms with police/fire/ambulance response or other required city charges.

We do not warrant security of any kind. You agree that you will not rely upon any security measures taken by us for personal security, and that you will call local law enforcement authorities if any security needs arise, along with 911 or any other applicable emergency number if an emergency occurs.

Nothing in the provision should be construed to relieve the Landlord from liability for property damage or personal injury caused by negligent acts or omissions of the Landlord, or to impose liability on the resident for personal injury arising from causes clearly beyond the resident's control, or for property damage caused by natural disasters or by persons other than the resident or the resident's guests or invitees.

17. CONDITION OF THE PREMISES AND ALTERATIONS.

17.1. As-Is. We disclaim all implied warranties. You accept the apartment, fixtures, and furniture as is, except for conditions materially affecting the health or safety of ordinary persons. We disclaim all implied warranties except to the extent any such disclaimer is prohibited by law. You'll be given a Check-in/Check-out form on or before move-in. Within seven (7) calendar days after move-in, you must sign and note on the form all defects or damage and return it to our representative. Otherwise, everything will be considered to be in a clean, safe, and good working condition.

17.2. Standards and Improvements. You must use customary diligence in maintaining the apartment and not damaging or littering the common areas. Unless authorized by statute or by us in writing, you must not perform any repairs, painting, wallpapering, carpeting, electrical changes, or otherwise alter our property. No holes or stickers are allowed inside or outside the apartment. But we'll permit a reasonable number of small nail holes for hanging pictures on sheetrock walls and in grooves of wood-paneled walls, unless our rules state otherwise. No water furniture, washing machines, additional phone or TV-cable outlets, alarm systems, or lock changes, additions, or rekeying is permitted unless statutorily allowed or we've consented in writing. You may install a satellite dish or antenna provided you sign our satellite dish or antenna lease addendum which complies with reasonable restrictions allowed by federal law. You agree not to alter, damage, or remove our property, including alarm systems, smoke detectors, furniture, telephone and cable TV wiring, screens, locks, and access control devices. When you move in, we'll supply light bulbs for fixtures we furnish, including exterior fixtures operated from inside the apartment; after that, you'll replace them at your expense with bulbs of the same type and wattage.

Your improvements to the apartment (whether or not we consent) become ours unless we agree otherwise in writing. We have the right to ask you to remove any improvements to the property when you vacate, at your expense, and you must return the premises to their original condition, except for normal wear and tear.

18. REQUESTS, REPAIRS, AND MALFUNCTIONS.

18.1. Written Requests Required. IF YOU OR ANY OCCUPANT NEEDS TO SEND A NOTICE OR REQUEST—FOR EXAMPLE, FOR REPAIRS, INSTALLATIONS, SERVICES, OR MALFUNCTIONS—it must be submitted through either the online resident portal, or signed and in writing and delivered to our designated representative (except for fair-housing accommodation or modification requests or situations involving imminent danger or threats to health or safety such as fire, smoke, gas, explosion, overflowing sewage, uncontrollable running water, electrical shorts, or crime in progress). Our written notes on your oral request do not constitute a written request from you. A request for maintenance or repair by anyone residing in your bedroom or apartment constitutes a request from all residents.

18.2. Notifications and Requirements. You must promptly notify us in writing of: water leaks or excessive moisture; electrical problems; malfunctioning lights; broken or missing locks or latches; and other conditions that pose a hazard to property, health, or safety. Unless we instruct otherwise, you are required to keep the apartment cooled or heated according to our policies.

18.3. Utilities. We may change or install utility lines or equipment serving the apartment if the work is done reasonably without substantially increasing your utility costs. Unless prohibited by law, we may turn off equipment and interrupt utilities as needed to avoid property damage or to perform work. If utilities malfunction or are damaged by fire, water, or similar cause, you must notify our representative immediately. Air conditioning problems are not emergencies. If air conditioning or other equipment malfunctions, you must notify our representative as soon as possible on a business day. We'll act with customary diligence to make repairs and reconnections, taking into consideration when casualty insurance proceeds are received. Rent will not abate in whole or in part unless required by WIS STAT. § 704.07 (4).

18.4. Our Right to Terminate for Casualty Loss/Property Closure. If we believe that fire or catastrophic damage is substantial, or that performance of needed repairs poses a danger to you, we may terminate your tenancy within a reasonable time by giving you written notice. We also have the right to terminate this Lease during the lease term by giving you at least thirty (30) days' written notice of termination if we are demolishing your apartment or closing it and it will no longer be used for residential purposes for at least six (6) months, or if the property is subject to eminent domain. If your tenancy is so terminated, we'll refund prorated rent and all deposits, less lawful deductions. We may also remove personal property if it causes a health or safety hazard. Nothing in the Lease Contract should be construed to relieve the Owner from liability for property damage or personal injury caused by negligent acts or omissions of the Owner, or to impose liability on the Resident for personal injury arising from causes clearly beyond the Resident's control, or for property damage caused by natural disasters or by persons other than the Resident or the Resident's guests or invitees.

19. ANIMALS.

19.1. No Animals Without Consent. *Unless otherwise provided under federal, state, or local law, no animals (including, but not limited to, mammals, reptiles, birds, fish, rodents, and insects) are allowed, even temporarily, anywhere in the apartment or apartment community unless we have so authorized in writing.* If we allow an animal as a pet, you must execute a separate animal addendum which may require additional deposits, rents, fees or other charges. An animal deposit is considered a general security deposit. We will authorize an assistance animal for a disabled person without requiring an animal deposit. When allowed by applicable laws, before we authorize an assistance animal, if the disability is not

readily apparent, we may require a written statement from a qualified professional verifying the disability-related need for the assistance animal. Animal deposits, additional rents, fees or other charges will not be required for an assistance animal needed due to disability, including an emotional support or service animal, as authorized under federal, state, or local law. You represent that any requests you made are true, accurate and made in good faith. You must not feed stray or wild animals.

19.2. Removal of Unauthorized Animal. We may remove an illegal or unauthorized animal by (1) leaving, in a conspicuous place in the apartment, a written notice of our intent to remove the animal within 24 hours; **and** (2) following the procedures of Paragraph 20 (When We May Enter). We won't be liable for loss, harm, sickness, or death of the animal unless due to our negligence. We'll return the animal to you upon request if it has not already been turned over to a humane society or local authority. You must pay for the animal's reasonable care and kenneling charges. We have no lien on the animal for any purpose.

19.3. Violations of Animal Policies and Charges. If you or any guest or occupant violates animal restrictions (with or without your knowledge), you'll be subject to charges, damages, eviction by judicial procedures as provided in Chapter 799 of the Wisconsin Statutes, and other remedies provided in this Lease, including an initial charge of \$ _____ per animal (not to exceed \$100 per animal) and a daily charge of \$ _____ per animal (not to exceed \$10 per day per animal) from the date the animal was brought into your apartment until it is removed. If an animal has been in the apartment at any time during your term of occupancy (with or without our consent), we reserve the right to charge for defleating, deodorizing, and/or shampooing, if there is damage in excess of normal wear and tear.

20. WHEN WE MAY ENTER. We may enter the bedroom or apartment at reasonable times, upon 24 hours' notice or as allowed by law, for the purpose of inspecting the premises, making repairs and showing the premises to prospective residents or purchasers. We may enter the apartment on less than 24 hours' notice with your or any co-resident specific consent, or as allowed by law. If you are absent from the premises and we reasonably believe a health or safety emergency exists or that entry is necessary to preserve or protect the premises from damage, we may enter without notice.

21. NOTICES. Notices and requests from you or any other resident or occupant of the apartment constitute notice from all residents. Unless this Lease or the law requires otherwise, any notice required to be provided, sent or delivered in writing by us may be given electronically, subject to our rules. Your notice of tenancy termination or intent to move out must be signed by you. A notice from us to you to pay sums owed only by you, or regarding sale of property that belongs only to you or that was in your possession and care, will be addressed to you only. You represent that you have provided your current e-mail address to us, and that you will notify us in the event your e-mail address changes.

22. SUBLetting, TRANSFERS, RELOCATION AND REPLACEMENTS. *Prior written consent required. Replacing a resident, subletting, assignment, or granting a right or license to occupy is allowed only when we expressly consent in writing.*

22.1. Transfers. You must get our prior written approval for any transfer. If transfer is approved, you must:

- (a) be in compliance with all terms of this Lease;
- (b) execute a new lease or other agreement for the space to which you are transferring;
- (c) complete all required forms;
- (d) pay a new security deposit in advance if required; **and**
- (e) pay transfer fee of \$ **500.00** in advance if you are moving from one apartment to another or \$ **500.00** in advance if you are moving from one exclusive space to another in the same apartment.

Under no circumstances will we be responsible for paying your moving costs.

22.2. Relocation. We reserve the right at any time, upon five (5) days prior written notice to you and without your having to pay any transfer fee, to relocate you to another bedroom in the apartment or to another apartment within the apartment community. We will pay for rekeying if we require you to relocate.

22.3. Replacement. If departing or remaining residents find a replacement resident acceptable to us before moving out and we expressly consent, in writing, to the replacement, subletting, assignment, or granting a right or any license to occupy, then:

- (a) Residents will be liable to Landlord for administrative (paperwork) and/or transfer costs associated with placing the new resident; **and**
- (b) you will remain liable for all Lease Contract obligations for the rest of the original Lease Contract term.

22.4. Procedures for Replacement. If we approve a replacement resident(s), the remaining and replacement resident(s) must sign an entirely new lease contract. The departing resident(s) will no longer have a right to occupancy. When the remaining and replacement resident(s) sign the new lease contract then departing resident(s) liability shall end and the departing resident(s) is entitled to the accounting and refund of their security deposit, if applicable, and the new resident(s) would have to pay a new deposit determined at the time of application.

22.5. Rental Prohibited. You agree that you won't rent or offer to rent your bedroom or all or any part of your apartment to anyone else. You agree that you won't accept anything of value from anyone else for the use of any part of your apartment. You agree not to list any part of your apartment on any lodging rental website or with any service that advertises apartments for rent.

22.6. Landlord's Duty to Mitigate. Nothing in this provision is intended to limit the landlord's duty to mitigate damages when required by law.

Owner's Rights and Remedies

23. OUR RESPONSIBILITIES. We'll act with customary diligence to:

- (a) keep common areas reasonably clean, subject to Paragraph 17 (Condition of Premises and Alterations);
- (b) maintain fixtures, hot water, heating and air-conditioning equipment;
- (c) comply with applicable federal, state, and local laws regarding safety, sanitation, and fair housing; **and**
- (d) make all reasonable repairs, subject to your obligation to pay for damages and items for which you are liable.

Nothing in the Lease Contract should be construed to relieve the Owner from liability for property damage or personal injury caused by negligent acts or omissions of the Owner, or to impose liability on the Resident for personal injury arising from causes clearly beyond the Resident's control, or for property damage caused by natural disasters or by persons other than the Resident or the Resident's guests or invitees. In addition, nothing in the Lease Contract should be construed to authorize the Owner to terminate the tenancy of a Resident based solely on the commission of a crime in or on the rental property if the Resident, or someone who lawfully resides with the Resident, is the victim, as defined by s. 950.02(4), of that crime. Nothing in the Lease Contract should be construed to allow the Owner to evict

or exclude a Resident from the premises other than by judicial eviction procedures as provided in Chapter 799 of the Wisconsin Statutes.

24. DEFAULT BY RESIDENT.

24.1. Acts of Default. To the maximum extent permitted under applicable law you'll be in default if you or any guest or occupant violates any terms of this Lease Contract including but not limited to the following violations (A) you don't pay rent or other amounts that you owe when due; (B) you move out before your lease expires without paying rent through the end of the lease term or renewal period, subject to our duty to mitigate damages; (C) you fail to give written move-out notice as required by Paragraphs 14 (Release of Resident) or 26 (Move-Out Procedures); (D) to the maximum extent permitted under applicable law you or any guest or occupant violates the apartment rules, or fire, safety, or health, regardless of whether or where arrest or conviction occurs; (E) you abandon the bedroom and apartment; (F) you give incorrect or false answers in a rental application; or (G) to the maximum extent permitted under applicable law you or any occupant is convicted or given deferred

adjudication for an offense involving actual or potential physical harm to a person, or involving possession, manufacture, or delivery of a controlled substance, marijuana, or drug paraphernalia or any sex-related crime, including a misdemeanor; **or** (H) you allow a co-resident who has been evicted to stay in your bedroom or the apartment.

The resident defaults contained in the Lease will be limited to conduct by you or any of your invitees, guests or occupants, or to conduct in which you and any invitee, guest, occupant or resident participated. The remedies for a default committed solely by a resident in the apartment will be limited to those that affect that resident only. Nothing in this provision or anywhere else in the Lease Contract should be construed to authorize the Owner to terminate the tenancy of a Resident based solely on the commission of a crime in or on the rental property if the Resident, or someone who lawfully resides with the Resident, is the victim, as defined by s. 950.02(4), of that crime.

24.2. Eviction. Should the resident neglect or fail to perform or observe any of the terms of this lease, the landlord shall give the resident written notice of such breach, requiring the resident to remedy the breach (unless such breach is a non-curable breach in accord with Wisconsin law in which case no right to cure shall exist) or vacate the premises on or before a date at least five (5) days after the giving of such notice. If the resident fails to comply with such notice, the Landlord may declare this tenancy terminated, and commence an action to evict the resident from the premises, by judicial eviction procedures as provided under Chapter 799 of the Wisconsin Statutes, without limiting the liability of the resident for rent due or becoming due, subject to the Landlord's duty to mitigate. If the resident has been given such notice and has remedied the breach, or been permitted to remain on the premises, and within one (1) year of such previous breach the resident commits a breach of a similar nature, then this tenancy may be terminated if, the landlord gives notice to the resident to vacate on or before a date at least fourteen (14) days after the giving of such notice. Termination of your possession rights or subsequent reletting doesn't release you from liability for future rent or other lease obligations, subject to our statutory duty to mitigate. **After giving notice to vacate or filing an eviction suit, we may still accept rent or other sums due;** the filing or acceptance doesn't waive or diminish our right of eviction, or any other contractual or statutory right. Accepting money at any time doesn't waive our right to damages; past or future rent or other sums; or to continue with eviction proceedings. If you are evicted, you must leave the apartment and cannot live in another bedroom or anywhere else in the apartment. Any action to terminate the tenancy will be by judicial eviction procedures as provided in Chapter 799 of the Wisconsin Statutes.

24.3. Notice of Domestic Abuse Protections.

- (1) As provided in section 106.50 (5m) (dm) of the Wisconsin statutes, a resident has a defense to an eviction action if the resident can prove that Landlord knew, or should have known, the resident is a victim of domestic abuse, sexual assault, or stalking and that the eviction action is based on conduct related to domestic abuse, sexual assault, or stalking committed by either of the following:
 - (a) A person who was not the resident's invited guest.
 - (b) A person who was the resident's invited guest, but the resident has done either of the following:
 1. Sought an injunction barring the person from the premises.
 2. Provided a written statement to the Landlord stating that the person will no longer be an invited guest of the resident and the resident has not subsequently invited the person to be the resident's guest.
- (2) A resident who is a victim of domestic abuse, sexual assault, or stalking may have the right to terminate the Lease Contract in certain limited situations, as provided in section 704.16 of the Wisconsin statutes. If the resident has safety concerns, the resident should contact a local victim service provider or law enforcement agency.

(3) A resident is advised that this notice is only a summary of the resident's rights and the specific language of the statutes governs in all instances.

24.4. Other Remedies. We may report unpaid amounts to credit agencies. If you default and move out early, you will pay us any amounts stated to be rental discounts in Paragraph 32 (Special Provisions), in addition to other sums due. Upon your default, we have all other legal remedies, including termination of your tenancy as provided in Chapter 799 of the Wisconsin Statutes. Late charges are liquidated damages for our time, inconvenience, and overhead in collecting late rent.

24.5. Mitigation of Damages. We will mitigate our damages to the extent required by Wisconsin law.

24.6. Default by Other Residents. If there is a default by another resident, it may not be possible to prevent their occupancy of the apartment during legal proceedings.

25. NO AUTHORITY TO AMEND UNLESS IN WRITING.

25.1. Representatives' Authority; Waivers; Notice.

Our representatives (including management personnel, employees, and agents) have no authority to waive, amend, or terminate this Lease Contract or any part of it, unless in writing, and no authority to make promises, representations, or agreements that impose security duties or other obligations on us or our representatives unless in writing.

Any dimensions and sizes provided to you relating to the apartment are only approximations or estimates; actual dimensions and sizes may vary. No action or omission of our representative will be considered a waiver of any subsequent violation, default, or time or place of performance. Our not enforcing or belatedly enforcing written-notice requirements, rental due dates, liens, or other rights isn't a waiver under any circumstances.

Except when notice or demand is required by law, you waive any notice and demand for performance from us if you default. We may require a guarantor if you do not qualify on your own. If anyone else has guaranteed performance of this Lease, a separate Lease Guaranty for each guarantor must be executed and submitted per our policies, we may, at our option, terminate this Lease. Written notice to or from our managers constitutes notice to or from us. Any person giving a notice under this Lease Contract should retain a copy of the memo, letter or fax that was given (and any fax-transmittal verification). Fax or electronic signatures are binding. All notices must be signed. Jurisdiction for any legal dispute related to this Lease Contract shall be in the State of Wisconsin, in the county in which the property is located.

25.2. Entire Agreement. Neither we nor any of our representatives have made any oral promises, representations, or agreements.

25.3. Miscellaneous.

- (a) Exercising one remedy will not constitute an election or waiver of other remedies.
- (b) Insurance subrogation is waived by all parties.
- (c) All remedies are cumulative.
- (d) No employee, agent, or management company is personally liable for any of our contractual, statutory, or other obligations merely by virtue of acting on our behalf.
- (e) This Lease Contract binds subsequent owners.
- (f) All provisions regarding our non-liability and non-duty apply to our employees, agents, and management companies.
- (g) This Lease Contract is subordinate or superior to existing and future recorded mortgages, at lender's option.
- (h) All discretionary rights reserved for us within this Lease Contract or any accompanying addenda are at our sole and absolute discretion.
- (i) The term "including" in this Lease should be interpreted to mean "including but not limited to."
- (j) Nothing in this Lease constitutes a waiver of our remedies for a breach under your prior lease that occurred before the lease term in Paragraph 3 (Term) begins.
- (k) This Lease remains in effect if any provision or clause is invalid or if initials are omitted on any page.

25.4. Rooming House. In no event shall the apartment be deemed a rooming or lodging house and, in the event any state or local agency makes any determination to the contrary, we reserve the right to terminate the Lease upon seven (7) days' notice.

25.5. Force Majeure. If we are prevented from completing performances of any obligations hereunder by an act of God, strikes, epidemics, war, acts of terrorism, riots, flood, fire, hurricane, tornado, sabotage, or other occurrence which is beyond our control, then we shall be excused from any further performance of obligations and undertakings hereunder, to the fullest extent allowed under applicable law. Your exposure to or contracting of a virus does not excuse you from fulfilling your lease obligations.

Furthermore, if such an event damages the property to materially affect its habitability by some or all residents, we reserve the right to vacate any and all leases and you agree to excuse us from any further performance of obligations and undertakings hereunder, to the full extent allowed under applicable law.

25.6. Electronic Delivery. The landlord and resident agree that the landlord may provide any of the following documents to the resident by electronic means:

- (a) A copy of the Lease and any documents related to the Lease Contract.
- (b) A security deposit and any documents related to the accounting and disposition of the security deposit and security deposit refund.

26. MOVE-OUT PROCEDURES. The move-out date can't be changed unless we and you both agree in writing. You agree that you won't move out before the Lease Contract term or renewal period ends. You're prohibited from applying any security deposit to rent. You won't stay beyond the date you are supposed to move out. All residents, guests, and occupants must vacate or surrender the bedroom and apartment before the time begins for deposit refund/accounting, as provided in Wis. Stat. s. 704.28(4). You must give us and the U.S. Postal Service, in writing, each resident's forwarding address.

26.1. Cleaning. You must thoroughly clean the apartment, including doors, windows, furniture, bathrooms, kitchen appliances, patios, balconies, garages, carports, and storage rooms. You must follow move-out cleaning instructions if they have been provided. If you don't clean adequately, you'll be liable for reasonable cleaning charges. Normal wear and tear is expected.

26.2. Move-Out Inspection. You should meet with our representative for a move-out inspection. Our representative has no authority to bind or limit us regarding deductions for repairs, damages, or charges. Any statements or estimates by us or our representative are subject to our correction, modification, or disapproval before final refunding or accounting.

27. ABANDONED PROPERTY. Unless agreed in writing, the Landlord will not store any items of personal property that the resident leaves behind when the resident removes or is evicted from the premises, except for prescription medication or prescription medical equipment, the latter of which will be retained by Landlord for seven (7) days from the date on which the Landlord discovers the property, after which time the Landlord will dispose of it. If the abandoned personal property is a titled vehicle, then before disposing of it, the Landlord shall give notice of its intent to dispose of the vehicle to the resident and any secured party of which the Landlord has actual notice, personally or by regular or certified mail.

30. SEVERABILITY. If any provision of this Lease Contract is invalid or unenforceable under applicable law, such provision shall be ineffective to the extent of such invalidity or unenforceability only without invalidating or otherwise affecting the remainder of this Lease Contract. The court shall interpret the Lease and provisions herein in a manner such as to uphold the valid portions of this Lease Contract while preserving the intent of the parties.

31. ORIGINALS AND ATTACHMENTS. This Lease Contract has been executed in multiple originals, with original or electronic signatures. We will provide you with a copy of the Lease Contract. 2. If an allocation method is used, we or our billing company will calculate your allocated share of the utilities and services provided and all costs in accordance with state and local statutes. Under any allocation method, Resident may be paying for part of the utility usage in common areas or in other residential units as well as administrative fees. Both Resident and Owner agree that using a calculation or allocation formula as a basis for estimating total utility consumption is fair and reasonable, while recognizing that the allocation method may or may not accurately reflect actual total utility consumption for Resident. Where lawful, we may change the above methods of determining your allocated share of utilities and services and all other billing methods, in our sole discretion, and after providing written notice to you. More detailed descriptions of billing methods, calculations and allocation formulas will be provided upon request.

If a flat fee method for trash or other utility service is used, Resident and Owner agree that the charges indicated in this Agreement (as may be amended with written notice as specified above) represent a fair and reasonable amount for the service(s) provided and that the amount billed is not based on a monthly per unit cost.

If a payment is late, you will be responsible for a late fee as indicated below. The late payment of a bill or failure to pay any utility bill is a material and substantial breach of the Lease and we will exercise all remedies available under the Lease, up to and including eviction for nonpayment, by judicial eviction procedures as provided in Chapter 799 of the Wisconsin Statutes. To the extent there are any new account, monthly administrative, late or final bill fees, you shall pay such fees as indicated below.

Final Bill Fee:	\$ _____ (not to exceed \$ _____)

If allowed by state law, we at our sole discretion may amend these fees, with written notice to you.

4. You will be charged for the full period of time that you were living in, occupying, or responsible for payment of rent or utility charges on the dwelling. If you breach the Lease, you will be responsible for utility charges for the time period you were obliged to pay the charges under the Lease, subject to our mitigation of damages. In the event you fail to timely establish utility services, we may charge you for any utility service billed to us for your dwelling and may charge a reasonable administration fee for billing for the utility service in the amount of \$ _____.
5. When you move out, you will receive a final bill which may be estimated based on your prior utility usage. This bill must be paid at the time you move out or it will be deducted from the security deposit.
6. We are not liable for any losses or damages you incur as a result of outages, interruptions, or fluctuations in utility services provided to the dwelling unless such loss or damage was caused by negligent acts or omissions by us or our employees. You release us from any and all such claims and waive any claims for offset or reduction of rent or diminished rental value of the dwelling due to such outages, interruptions, or fluctuations.
7. You agree not to tamper with, adjust, or disconnect any utility sub-metering system or device. Violation of this provision is a material breach of your Lease and may subject you to eviction procedures as provided in Chapter 799 of the Wisconsin Statutes, or other remedies available to us under your Lease, this Utility Addendum and at law.
8. Where lawful, all utilities, charges and fees of any kind under this lease shall be considered additional rent, and if partial payments are accepted by the Owner, they will be allocated first to non-rent charges and to rent last.
9. You represent that all occupants that will be residing in the Unit are accurately identified in the Lease. You agree to promptly notify Owner of any change in such number of occupants.
10. You agree that you may, upon thirty (30) days prior written notice from Owner to you, begin receiving a bill for additional utilities and services, at which time such additional utilities and services shall for all purposes be included in the term Utilities.
11. This Addendum is designed for use in multiple jurisdictions, and no billing method, charge, or fee mentioned herein will be used in any jurisdiction where such use would be unlawful. If any provision of this addendum or the Lease is invalid or unenforceable under applicable law, such provision shall be ineffective to the extent of such invalidity or unenforceability only without invalidating or otherwise affecting the remainder of this addendum or the Lease. Except as specifically stated herein, all other terms and conditions of the Lease shall remain unchanged. In the event of any conflict between the terms of this Addendum and the terms of the Lease, the terms of this Addendum shall control.

12. The following special provisions and any addenda or written rules furnished to you at or before signing will become a part of this Utility Addendum and will supersede any conflicting provisions of this printed Utility Addendum and/or the Lease Contract.

Method 10: Landlord will remain the customer of record for the electric utility. The local electric utility provider measures utility usage in each apartment unit and bills Landlord directly for such charges. Electric charges for each unit will be divided by the number of days each bed was occupied in each unit to come up with each Resident's charge. Electric charges may include all utility and other miscellaneous charges included on the utility statement, that would be charged as though Resident were the customer of record, if allowed by the applicable laws. LANDLORD may estimate any and all utility charges above upon TENANT'S move-out (or at any other time) and such amounts shall be deemed final. TENANT is responsible for all setup, deposits, and activation fees of all utilities not paid for by LANDLORD. TENANT agrees to pay a monthly service fee in the amount of \$6 each month. This service fee is for administration, billing, overhead, sustainability initiatives, and similar expenses and charges. LANDLORD may estimate any and all utility charges above upon TENANT'S move-out (or at any other time) and such amounts shall be deemed final. TENANT is responsible for all setup, deposits, and activation fees of all utilities not paid for by LANDLORD. YOU AGREE that you may, upon thirty (30) days prior written notice from Owner to you, begin receiving a bill for additional utilities and services, at which time such additional utilities and services shall for all purposes be included in the term Utilities. If allowed by state law, we at our sole discretion may amend these fees, with written notice to you. STORMWATER is evenly divided among all residents of occupied units.

BED BUGS — A Guide for Rental Housing Residents

Bed bugs, with a typical lifespan of 6 to 12 months, are wingless, flat, broadly oval-shaped insects. Capable of reaching the size of an apple seed at full growth, bed bugs are distinguishable by their reddish-brown color, although after feeding on the blood of humans and warm-blooded animals—their sole food source—the bugs assume a distinctly blood-red hue until digestion is complete.

Bed bugs don't discriminate

Bed bugs increased presence across the United States in recent decades can be attributed largely to a surge in international travel and trade. It's no surprise then that bed bugs have been found time and time again to have taken up residence in some of the fanciest hotels and apartment buildings in some of the nation's most expensive neighborhoods.

Nonetheless, false claims that associate bed bugs presence with poor hygiene and uncleanliness have caused rental housing residents, out of shame, to avoid notifying owners of their presence. This serves only to enable the spread of bed bugs.

While bed bugs are, by their very nature, more attracted to clutter, they're certainly not discouraged by cleanliness.

Bottom line: bed bugs know no social and economic bounds; claims to the contrary are false.

Bed bugs don't transmit disease

There exists no scientific evidence that bed bugs transmit disease. In fact, federal agencies tasked with addressing pest of public health concern, namely the U.S. Environmental Protection Agency and the Centers for Disease Control and Prevention, have refused to elevate bed bugs to the threat level posed by disease transmitting pests. Again, claims associating bed bugs with disease are false.

Identifying bed bugs

Bed bugs can often be found in, around and between:

- Bedding
- Bed frames
- Mattress seams
- Upholstered furniture, especially under cushions and along seams
- Around, behind and under wood furniture, especially along areas where drawers slide
- Curtains and draperies
- Along window and door frames
- Ceiling and wall junctions
- Crown moldings
- Behind and around wall hangings and loose wallpaper
- Between carpeting and walls (carpet can be pulled away from the wall and tack strip)
- Cracks and crevices in walls and floors
- Inside electronic devices, such as smoke and carbon monoxide detectors

- Because bed bugs leave some persons with itchy welts strikingly similar to those caused by fleas and mosquitoes, the origination of such markings often go misdiagnosed. However, welts caused by bed bugs often times appear in succession and on exposed areas of skin, such as the face, neck and arms. In some cases, an individual may not experience any visible reaction resulting from direct contact with bed bugs.

- While bed bugs typically prefer to act at night, they often do not succeed in returning to their hiding spots without leaving traces of their presence through fecal markings of a red to dark brown color, visible on or near beds. Blood stains tend also to appear when the bugs have been squashed, usually by an unsuspecting host in their sleep. And, because they shed, it's not uncommon for skin casts to be left behind in areas typically frequented by bed bugs.

Preventing bed bug encounters when traveling

Because humans serve as bed bugs' main mode of transportation, it is extremely important to be mindful of bed bugs when away from home. Experts agree that the spread of bed bugs across all regions of the United States is largely attributed to an increase in international travel and trade. Travelers are therefore encouraged to take a few minutes upon arriving to their temporary destination to thoroughly inspect their accommodations, so as to ensure that any uninvited guests are detected before the decision is made to unpack.

Because bed bugs can easily travel from one room to another, it is also recommended that travelers thoroughly inspect their luggage and belongings for bed bugs before departing for home.

Bed bug do's and don'ts

- **Do not bring used furniture from unknown sources into your dwelling.** Countless bed bug infestations have stemmed directly from the introduction into a resident's unit of second-hand and abandoned furniture. Unless the determination can be made with absolute certainty that a piece of second-hand furniture is bed bug-free, residents should assume that the reason a seemingly nice looking leather couch, for example, is sitting curbside, waiting to be hauled off to the landfill, may very well be due to the fact that it's teeming with bed bugs.
- **Do address bed bug sightings immediately.** Rental housing residents who suspect the presence of bed bugs in their unit must immediately notify the owner or manager.
- **Do not attempt to treat bed bug infestations.** Under no circumstance should you attempt to eradicate bed bugs. Health hazards associated with the misapplication of traditional and non-traditional, chemical-based insecticides and pesticides poses too great a risk to you and your neighbors.
- **Do comply with eradication protocol.** If the determination is made that your unit is indeed playing host to bed bugs, you must comply with the bed bug eradication protocol set forth by both your owner and their designated pest management company.

MOLD INFORMATION AND PREVENTION ADDENDUM

Please note: It is our goal to maintain a quality living environment for our residents. To help achieve this goal, it is important to work together to minimize any mold growth in your dwelling. That is why this addendum contains important information for you, and responsibilities for both you and us.

1. DWELLING UNIT DESCRIPTION.

Unit No. TBD, 339 W. Gorham St.

2. LEASE CONTRACT DESCRIPTION.

Lease Contract Date: July 2, 2025

Owner's name: Core Madison Gorham LLC

Residents (list all residents):

Anirudh Jagannath

This Addendum constitutes an Addendum to the above described Lease Contract for the above described premises, and is hereby incorporated into and made a part of such Lease Contract. Where the terms or conditions found in this Addendum vary or contradict any terms or conditions found in the Lease Contract, this Addendum shall control.

3. ABOUT MOLD. Mold is found virtually everywhere in our environment—both indoors and outdoors and in both new and old structures. Molds are naturally occurring microscopic organisms which reproduce by spores and have existed practically from the beginning of time. All of us have lived with mold spores all our lives. Without molds we would all be struggling with large amounts of dead organic matter.

Mold breaks down organic matter in the environment and uses the end product for its food. Mold spores (like plant pollen) spread through the air and are commonly transported by shoes, clothing and other materials. When excess moisture is present inside a dwelling, mold can grow. A 2004 Federal Centers for Disease Control and Prevention study found that there is currently no scientific evidence that the accumulation of mold causes any significant health risks for person with normally functioning immune systems. Nonetheless, appropriate precautions need to be taken.

4. PREVENTING MOLD BEGINS WITH YOU. In order to minimize the potential for mold growth in your dwelling, you must do the following:

- Keep your dwelling clean—particularly the kitchen, the bathroom(s), carpets and floors. Regular vacuuming, mopping and using a household cleaner to clean hard surfaces is important to remove the household dirt and debris that harbor mold or food for mold. Immediately throw away moldy food.
- Remove visible moisture accumulation on windows, walls, ceilings, floors and other surfaces as soon as reasonably possible. Look for leaks in washing machine hoses and discharge lines—especially if the leak is large enough for water to infiltrate nearby walls. Turn on any exhaust fans in the bathroom and kitchen *before* you start showering or

cooking with open pots. When showering, be sure to keep the shower curtain *inside* the tub or fully close the shower doors. Also, the experts recommend that after taking a shower or bath, you: (1) wipe moisture off of shower walls, shower doors, the bathtub and the bathroom floor; (2) leave the bathroom door open until all moisture on the mirrors and bathroom walls and tile surfaces has dissipated; and (3) hang up your towels and bath mats so they will completely dry out.

- Promptly notify us in writing about any air conditioning or heating system problems you discover. Follow our rules, if any, regarding replacement of air filters. Also, it is recommended that you periodically open windows and doors on days when the outdoor weather is dry (i.e., humidity is below 50 percent) to help humid areas of your dwelling dry out.
- Promptly notify us in writing about any signs of water leaks, water infiltration or mold. We will respond in accordance with state law and the Lease Contract to repair or remedy the situation, as necessary.
- Keep the thermostat set to automatically circulate air in the event temperatures rise to or above 80 degrees Fahrenheit.

5. IN ORDER TO AVOID MOLD GROWTH, it is important to prevent excessive moisture buildup in your dwelling. Failure to promptly pay attention to leaks and moisture that might accumulate on dwelling surfaces or that might get inside walls or ceilings can encourage mold growth. Prolonged moisture can result from a wide variety of sources, such as:

- rainwater leaking from roofs, windows, doors and outside walls, as well as flood waters rising above floor level;
- overflows from showers, bathtubs, toilets, lavatories, sinks, washing machines, dehumidifiers, refrigerator or A/C drip pans or clogged up A/C condensation lines;
- leaks from plumbing lines or fixtures, and leaks into walls from bad or missing grouting/caulking around showers, tubs or sinks;
- washing machine hose leaks, plant watering overflows, pet urine, cooking spills, beverage spills and steam from excessive open-pot cooking;
- leaks from clothes dryer discharge vents (which can put lots of moisture into the air); and
- insufficient drying of carpets, carpet pads, shower walls and bathroom floors.

6. IF SMALL AREAS OF MOLD HAVE ALREADY OCCURRED ON NON-POROUS SURFACES (such as ceramic tile, formica, vinyl flooring, metal, wood or plastic), the federal Environmental Protection Agency (EPA) recommends that you first clean the areas with soap (or detergent) and water, let the surface dry, and then within 24 hours apply a pre-mixed, spray-on-type household biocide, such as Lysol Disinfectant®, Pine-Sol Disinfectant® (original pine-scented), Tilex Mildew Remover® or Clorox Cleanup®. (Note: Only a few of the common household cleaners will actually kill mold). Tilex® and Clorox® contain bleach which can discolor or stain. **Be sure to follow the instructions on the container.** Applying biocides without first cleaning away the dirt and oils from the surface is like painting over old paint without first cleaning and preparing the surface.

Always clean and apply a biocide to an area 5 or 6 times larger than any visible mold because mold may be adjacent in quantities not yet visible to the naked eye. A vacuum cleaner with a high-efficiency particulate air (HEPA) filter can be

used to help remove non-visible mold products from *porous* items, such as fibers in sofas, chairs, drapes and carpets—provided the fibers are completely dry. Machine washing or dry cleaning will remove mold from clothes.

- 7. DO NOT CLEAN OR APPLY BIOCIDES TO:** (1) visible mold on *porous surfaces*, such as sheetrock walls or ceilings, or (2) *large areas* of visible mold on *non-porous* surfaces. Instead, notify us in writing, and we will take appropriate action.

- 8. COMPLIANCE.** Complying with this addendum will help prevent mold growth in your dwelling, and both you and we will be able to respond correctly if problems develop that could lead to mold growth. If you have questions regarding this addendum, please contact us at the management office or at the phone number shown in your Lease Contract. Nothing in this Addendum excuses the Owner from liability for personal injury or property damage arising from negligent acts or omissions of the Owner.

If you fail to comply with this Addendum, you can be held responsible for property damage to the dwelling and any health problems that may result. We can't fix problems in your dwelling unless we know about them.

Tenant Fire Safety Information

**The smoke alarms in your apartment are there for your protection.
NEVER tamper with them or remove them.**

Report to the building owner or manager immediately any doors, lighting, smoke detectors or fire extinguishers that are missing or not working properly.

Cooking Fires:

- Unattended cooking is the #1 cause of residential fires. Stay in the kitchen and keep an eye on your stove. Wear short or close-fitting sleeves and turn pan handles toward the back of the stove to prevent spills and burns.
- Keep cooking surfaces clean to prevent food and grease build-up.
- If the alarm goes off from cooking, open a door or window. Do not attempt to disable the smoke alarm.
- If the fire is still confined to a pan, slide a tight-fitting lid over the flames to smother a grease or oil fire. Then turn off the stove and leave the lid on until the pan cools. Do **NOT** attempt to move something that is on fire.
- Some small fires may be smothered with baking soda. Never use water or flour on cooking fires.
- For oven fires, shut the oven door and turn off the stove to smother.
- If the fire is spreading beyond the container **OR** if you have **ANY** doubts about containing the fire, leave the building immediately and call 911.

Evacuation:

- Develop and practice a fire escape plan with roommates/family and know at least two ways out of each room.
- Select a safe meeting place outside and away from your building. Make sure everyone knows where it is and that they should go there once they have evacuated the building.
- Doors to basements, laundry, and furnace rooms are “fire doors” that must be closed at all times (never propped open). These doors are meant to inhibit the spread of smoke and fire. Keeping them closed during a fire saves lives and property.

Fire Extinguishers

- If the fire is not spreading **AND** you are familiar with the proper use of fire extinguishers, you may then attempt to extinguish the fire. Know both your limits and the fire extinguisher's limits.
- Be familiar with use **BEFORE** fire starts. Remember **PASS...** Pull the pin, Aim low at base of the fire, Squeeze lever to discharge, Sweep nozzle from side to side.
- **ALWAYS** keep your back to an unobstructed exit that is free from fire.

City of Madison Fire Department

Tenant Fire Safety Information

Grilling

- Local fire ordinances prohibit open-flame cooking devices (charcoal, wood, LP, etc.) from being used on combustible balconies unless the balcony is equipped with automatic fire sprinklers. Grills must be used at least 10 feet from the building.
- Grills that are powered by the small LP cylinders (2.5 lb water capacity) are allowed to be stored on combustible balconies, or within the 10-foot limit, but cannot be used there.
- Make sure the coals are completely cooled down with water before disposing of them (coals may stay hot for up to 72 hours after use).
- Make sure all ashes are contained in a non-combustible container.

Candles

- Make sure candles are in a sturdy holder and kept at least 1 foot from anything flammable.
- ALWAYS blow out candles before leaving the room or going to sleep.

Smoking Materials: Improperly discarded smoking materials are the leading cause of fatal fires! Make sure smoking materials are fully extinguished by dousing them in water and disposing of them in a non-combustible container.

In the event of a fire:

- Resist the temptation to attempt to fight the fire yourself.
- Evacuate the building immediately through your nearest exit.
- In multi-family structures, sound an alarm as you leave.
- Call 911 to report the emergency after you've left the building.

Final Notes

- An estimated 40% of fatal fires involve the use of alcohol by victims, their family members, or friends.
- Leave hallways clear of clutter (garbage bags, bicycles, etc.). In the event of a fire, the hallway may be your path to safety.
- After move-in, tour hallways, basement and common areas to locate exits (doors and windows). Know where fire extinguishers are and which fire doors should be kept closed.
- Inside your apartment, locate smoke and carbon monoxide detectors. Make sure they are working. Report any malfunctions to the building owner or manager.

Landlord is responsible for the installation of carbon monoxide detectors as required by Wis. Stat. s. 101.149. These detectors must be installed according to the directions and specifications of the manufacturer. In addition, Landlord shall reasonably maintain every carbon monoxide detector in the building.

- 3. Wisconsin law permits the limited use of medical marijuana in specific and limited circumstances. However, this is not the case under federal law. Under federal law, specifically the Controlled Substances Act (CSA), marijuana is still categorized as a Schedule I substance. This means that under federal law, the manufacture, distribution, or possession of marijuana is strictly prohibited. Because the U.S. Department of Housing and Urban Development is controlled by the federal government, it agrees that the use of marijuana, whether prescribed for medical reasons or not, is a criminal offense and will not be protected under the fair housing laws. Therefore, apartment complexes are not required to accommodate the use of marijuana by a tenant who is a current medical marijuana user. Disabled tenants who are registered medical marijuana users, however, should not feel discouraged to request reasonable accommodations if the need arises.**

4. The Premises listed above follows and complies with federal law regarding marijuana use and is, and will continue to be, a drug free community. Possession, use, manufacture or sale of any illegal substance, including marijuana, or any use of marijuana by the tenant and/or guests will result in termination of your tenancy as provided in Chapters 704 and 799 of the Wisconsin Statutes. - 6. Any breach of the Lease Contract that otherwise jeopardizes the health, safety, and welfare of the Owner, Owner's agents, or other Residents, or involving imminent, actual or substantial property damage.
- 7. Engaging in or committing any act that would be a violation of the Owner's screening criteria for criminal conduct or which would have provided Owner with a basis for denying Resident's application due to criminal conduct.
- 8. Engaging in any activity that constitutes waste, nuisance, or unlawful use.

B. AGREE THAT ANY VIOLATION OF THE ABOVE PROVISIONS CONSTITUTES A MATERIAL VIOLATION OF THE PARTIES' LEASE CONTRACT AND GOOD CAUSE FOR TERMINATION OF TENANCY. A single violation of any of the provisions of this Addendum shall be deemed a serious violation, and a material default, of the parties' Lease Contract. It is understood that a single violation shall be good cause for termination of your tenancy. Notwithstanding the foregoing comments, Owner may terminate Resident's tenancy for any lawful reason. Any termination of tenancy will be pursuant to judicial eviction procedures as provided in Chapter 799 of the Wisconsin Statutes.

5. CRIMINAL CONVICTION NOT REQUIRED. Unless otherwise provided by law, proof of violation of any criminal law shall not require a criminal conviction.

6. VICTIM STATUS PROTECTED. Nothing in this provision or anywhere else in the Lease Contract should be construed to authorize the Owner to terminate the tenancy of a Resident based solely on the commission of a crime in or on the rental property if the Resident, or someone who lawfully resides with the Resident, is the victim, as defined by s. 950.02(4), of that crime.

Where the terms or conditions found in this Addendum vary or contradict any terms or conditions found in the Lease Contract, this Addendum shall control.

3. SHORT TERM SUBLlease OR RENTING PROHIBITED.

Without limiting the prohibition in the Lease on subletting and assignment and without limiting any of our rights or remedies, this Addendum to the Lease further supplements and defines the requirements and prohibitions contained in the Lease Contract between you and us. You are hereby strictly prohibited from subletting or renting to any third party, or allowing occupancy by any third party, of all or any portion of the dwelling, whether for an overnight use or duration of any length, without our prior written consent in each instance. This clause shall not be interpreted to restrict our rights to terminate your tenancy for any lawful reason, or by any lawful method.

3. EQUAL HOUSING OPPORTUNITY POLICY. We provide rental housing on an equal opportunity basis. Consistent with this policy, we welcome persons with disabilities to our community and will not discriminate against any person because of his or her disability, or his or her association with anyone with a disability. In addition, we know that it may sometimes be necessary for persons with disabilities to be able to make modifications to their surroundings or to have accommodations made in our practices or procedures to enable them to fully enjoy and use their housing, and we have created the policy described herein to meet that need.

4. PURPOSE OF POLICY. A resident or applicant may be entitled under state and federal fair housing laws to a reasonable accommodation and/or reasonable modification when needed because of a disability of the resident, the applicant, and/or a person associated with a resident or applicant, such as a member of the household or frequent guest. The reasonable accommodation and/or reasonable modification must be necessary for the individual with the disability to have an equal opportunity to fully use and/or enjoy housing services offered to other residents and/or the individual dwelling unit. We will grant requests for accommodations or modifications that are reasonable and necessary because of a disability, would not impose an undue financial or administrative burden on our operations, and do not fundamentally alter the nature of services or resources we provide as part of our housing program.

5. DEFINITIONS.

A. Disability. The Federal Fair Housing Act defines a person with a disability to include: (1) individuals with a physical or mental impairment that substantially limits one or more major life activities; (2) individuals who are regarded as having such an impairment; or (3) individuals with a record of such an impairment.

B. Reasonable Modifications. A reasonable modification is a structural change made to existing premises, occupied or to be occupied, by a person with a disability, in order to afford such person full enjoyment of the premises. These are typically structural changes to interiors and exteriors of dwellings and to common and public use areas, which are necessary to accommodate a person with a disability. Depending on the nature of the request, reasonable modifications are typically granted at the expense of the person requesting them.

C. Reasonable Accommodation. A reasonable accommodation is a change, exception, or adjustment to a rule, policy, practice, or service that may be necessary for a person with a disability to have an equal opportunity to use and enjoy a dwelling, including public and common areas.

6. REQUESTS FOR REASONABLE MODIFICATIONS.

- A. Generally.** If you are a resident or an applicant (i) with a disability, or (ii) with someone associated with you who has a disability, you have the right to request a reasonable modification to your dwelling or the common areas, in accordance with fair housing laws, if such modifications may be necessary to allow you to have an equal opportunity to fully use and/or enjoy your dwelling.
- B. Reasonable Modification Expenses.** Expenses for reasonable modifications, and restoration expenses, if applicable, of such modifications, shall be allocated in accordance with state and federal fair housing laws.
- C. Permission Required, Evaluation of Disability.** If you would like to request a reasonable modification to your dwelling or the common areas of the community that is necessary because of a disability, you must first obtain permission from us. We prefer that you use the attached "Reasonable Accommodation and/or Modification to Rental Unit" form, but you are not required to use this form. If you would like or need assistance in completing this form, please let us know, and we will be glad to provide assistance. Whether you use our form or your own form of request, we will need to know what specific modification is being sought. In addition, if the disability or the disability-related need for the modification is not obvious, we may ask for information that is reasonably necessary to evaluate the disability-related need for the modification; however, we will only request information necessary to evaluate your request, and all information will be kept confidential.
- D. Reasonable Assurances.** Depending on the modification requested, we may require you to provide reasonable assurances that the modification will be done in a workmanlike manner and that any required building permits will be obtained. In some cases, any third-party retained to perform the modification may also have to be approved in writing by us, and be properly licensed and insured. During and upon completion of the modification, we may inspect the work in connection with our overall property management responsibilities. We will not increase your security deposit as a result of a modification request. However, when applicable, if you fail to restore the interior of the dwelling to its original condition, excluding normal wear and tear, at the end of the tenancy, we may assess the cost of restoration against your security deposit and/or final account upon move-out.
- E. Restoration Reimbursement.** At the end of your tenancy, you may be responsible to restore the interior of your dwelling to its pre-modification condition at your expense, depending on the nature of the modification. Again, depending on the modification, we may request that you deposit sufficient funds for that restoration in an interest bearing escrow account to ensure any required restoration can be completed. Regardless of modification, you will remain responsible to pay for damage to your dwelling in excess of ordinary wear and tear.
- F. Alternative Modification.** Depending on the circumstances, we may not be able to grant the exact modification you have requested and we may ask to discuss other alternatives with you.

7. REQUESTS FOR REASONABLE ACCOMMODATIONS.

- A. Generally.** We will make reasonable accommodations in our rules, policies, practices, and/or services, to the extent that such accommodations may be reasonably necessary to give you, as a disabled person, an equal opportunity to fully use and enjoy your dwelling, and the public and common areas of the premises, and as otherwise required by law.
- B. Request for Accommodation, Evaluation of Disability.** If you would like a reasonable accommodation that is necessary because of a disability, please submit a request to us, preferably using the attached "Reasonable Accommodation and/or Modification to Rental Unit" form, but you are not required to use this form. If you would like or need assistance completing this form please let us know and we will be glad to provide assistance. Whether you use our form or your own form of request, we will need to know what accommodation is being sought. In addition, if the disability is not obvious, we may ask for information that is reasonably necessary to evaluate the disability-related need for the accommodation. We will only request information that is reasonably necessary for us to evaluate your request, and we will keep all information you provide confidential.
- C. Alternative Accommodation.** Depending on the circumstances, we may not be able to grant the exact accommodation you have requested and we may ask to discuss other alternatives with you.

8. OWNER RESPONSIBILITY. We will respond to all requests for a reasonable accommodation and/or modification in a timely manner. If we deny your request for a reasonable modification and/or accommodation, we will explain the reason for our denial and we will discuss with you whether there are alternative accommodations and/or modifications that we could provide that would meet your needs. We also are committed to entering into an interactive dialogue with you in relation to any request, and therefore agree to speak with you in relation to any request so that you have sufficient opportunity to provide us with any information you believe is relevant to our evaluation of your request for the modification(s) and/or accommodation(s).

9. AMENDMENT TO POLICY. This policy may be amended and updated at any time upon written notice to you. In addition, in the event of any conflict between this policy and/or state, local or federal law, the provisions of such law shall control. If you have any questions about this policy, you should contact:

4. ENERGY EFFICIENCY. The following are guidelines recommended to reduce overall energy consumption and reduce electricity/gas expenses.

Thermostat Settings. During the winter months, Energy.gov (<https://www.energy.gov/>) recommends setting your thermostat to 68°F while you are awake and setting it lower while you are asleep or away from home. Considerations should be made for extremely cold temperatures as to avoid freezing pipes.

During the summer months, with central air conditioning, Energy.gov recommends setting the thermostat to 78°F while you are occupying the apartment and need cooling and setting the thermostat higher while you are away. Energy.gov recommends that you set your thermostat at as high a temperature as comfortably possible and ensure humidity control if needed.

Please note that the thermostat settings listed above are only recommended guidelines and that the appropriate thermostat setting will depend upon weather conditions and the size and layout of your unit.

Lighting and Light Bulbs. Use natural light when possible. Consider replacing standard incandescent light bulbs in your own fixtures, like table and floor lamps, with energy-saving compact fluorescent light bulbs (CFLs) or light-emitting diodes (LEDs).

Appliances. We strongly encourage the use of appliances that have the ENERGY STAR label or other energy-efficient labeling.

Conserve Electricity. Consider unplugging chargers for power tools, mobile phones, laptops, televisions, and other electronic devices when not in use, or when you plan to be away from the apartment for an extended period of time.

5. WATER EFFICIENCY – REQUIREMENTS AND SUGGESTIONS.

The following requirements and suggestions will help reduce overall water consumption at the Community.
